

Donor Roll 2018-19

Alumni and supporters give back to our global University community in so many ways: from hosting and speaking at events, to mentoring and career support, and via philanthropy. We are grateful and honoured to receive such an incredible volume of support and we seek to recognise the efforts of all of our supporters throughout the year. In this annual Donor Roll, we spotlight and offer particular thanks to those who have made financial gifts to the University and/or provided sponsorship through the Development and Alumni Relations Office (DARO) during the last financial year (2018-19).

In addition to the donors listed below we are also grateful to the many supporters who donate to the University anonymously. While every effort has been made to record names in accordance with our donors' wishes, if we have made mistakes, or omitted your name in error, please accept our apologies and let us know so that this may be corrected. Where names are mentioned more than once, this is owing to individuals with identical names being recorded.

Should you have any queries or wish to report any errors/amendments, please email Lynn Shipley, Stewardship Officer at stewardship.officer@durham.ac.uk or telephone her direct on +44 (0)191 334 6299.
