

Donor Roll 2020-21

Alumni and supporters of Durham University give back to our global community in so many ways: from hosting and speaking at events, to mentoring our students and graduates, and through philanthropy. We are grateful and honoured to receive such generous support and we seek to recognise the substantial efforts of all our supporters in many different ways.

On this annual Donor Roll, we spotlight and offer particular thanks to those who have made financial gifts across the University and/or provided sponsorship through the Development and Alumni Relations Office (DARO) during each financial year.

We have seen a vibrant start to the new academic year, with students returning to classrooms and the clubs, societies, and social networks that make Durham...*Durham*. Whilst we see these signs of progress, the Covid-19 Recovery Appeal Fund is still making a substantial daily difference for hundreds of students and researchers who benefit from your support. We hope you see with increasing regularity stories of the impact your donations are having across our community.

Through the first phase of our *Durham Inspired* campaign we have now receipted over £52M in pledges to the University, including record individual donations and gifts from overseas. The *raison d'être* for the Campaign is to 'support the next generation of leadership and inspiration' here in Durham: nurturing talent across our student community, enabling the pursuit of transformative research, and contributing positively to our facilities and assets for our students and the wider regional community.

This year, we aim to continue the momentum that has built in recent years in extending our vibrant global community of alumni, friends, and benefactors; we hope soon that parents and families of our students will be able to play a wider role across our networks and will be working actively to make this happen.

In addition to the donors listed below, we are also grateful to the many supporters who donate to the University anonymously, and those who have confirmed donations through their legacies and estates: thank you.
