

St Johns College Durham: Payment Terms

2022-23

College accommodation fees are split into three equal instalments, invoiced on the first day of term and payable by BACS transfer (bank details available on the invoice). College additional fees are added to the first term's invoice. Payments are due within 30 days in the first term, and within 14 days in the subsequent two terms. Failure to pay by the due date may result in a late payment charge. If you are experiencing financial hardship, or there is a delay in your funding, please contact the Finance Team on johns.finance@durham.ac.uk who will be happy to take any queries.

Please Note: St Johns College is an Independent College within Durham University, therefore residence invoices are paid direct to St John's College. The Main University Finance Department raise tuition invoices and hold different bank details.

Further details regarding how to pay for both residence and tuition will be sent out to new students by e-mail before the start of the academic year.
