

# THE POETICS OF PROPHECY

Modern Afterlives of a Biblical Tradition

THURSDAY 8 MAY 2025

LRC LECTURE ROOM, ST JOHN'S COLLEGE, 18:00

Join us for a book presentation of *The Poetics of Prophecy* (Cambridge University Press), where Dr Yosefa Raz explores how Romantic poetry and biblical scholarship intertwine in the reinvention of prophecy. In conversation with Dr Yael Almog, MLAC, she examines the dynamics of prophecy – its back and forth movement between authority and anxiety, strength and weakness —across British, German, and Hebrew literary traditions. A senior lecturer at the University of Haifa, Dr Raz is also a poet and translator. A drinks reception follows — all welcome.
