GRADUATED: 2018

WHAT DO YOU DO NOW?

I am a second year in the Frontline graduate programme. This means I am a fully qualified, practicing Children and Families Social Worker.

HOW DID DURHAM HELP TO PREPARE YOU?

Durham helped prepare me by teaching me a much more rounded view of the world. I learnt not only about people and politics, which is vital to my career, but I learnt valuable life skills such as teamwork, leadership and the value of my role in society. Durham offers fantastic extra curricular activities such as sports, societies and programmes that really benefit the university and wider communities. Most people get involved and this makes for an amazing university experience!

WHAT'S YOUR FAVOURITE DURHAM MEMORY?

My favourite Durham memory is when the netball team, my co-captain and I won an extremely challenging game that seemed impossible to win! It really sums up the strong teamwork and social aspect of Durham for me.
