

# IMPROVING END OF LIFE FOR ALL

## RESEARCH CONFERENCE 2023

MONDAY 6 – FRIDAY 10 FEBRUARY

A **free, virtual conference** to share the latest research and evidence in palliative and end of life care, to improve the end of life experience for all.

We hope to inform and inspire attendees, to help change practice and shape future research.

New to this year's conference will be our **Spotlight sessions**. These are one-hour, bitesize sessions designed to shine a light on topics that have been highlighted to us as areas of particular importance to the sector.
