

Hindi

The list of topics is indicative only (as typically encountered at those levels) to help prospective students select the most appropriate course. When topics and grammar points appear under several levels, they will be either a revision and/or more in-depth study of the topic/grammar area. Most grammar structures and vocabulary items are of course encountered again and often reinforced in subsequent levels.

Progression	Development	Typical topics	Grammar
Beginners	Step 1	Greetings Formal commands Object introduction Ordering food and drinks Colours, size, condition of objects Weather Place Family, introductions to family and friends Food and recipes Shopping Travel (reservations, preferences) Likes and dislikes Expressing knowledge Expressing needs and desires	Personal pronouns Present & past auxiliaries Infinitives Formal & informal imperatives Interrogatives Adjectives, genders Postpositions Postposition inflection with masculine nouns Possessive pronouns Negations Masculine & feminine plurals Adverbial expression of likes and dislikes Adverbial expression of knowing information Adverbial expression of needs and desires
