

Italian

The list of topics is indicative only (as typically encountered at those levels) to help prospective students select the most appropriate course. When topics and grammar points appear under several levels, they will be either a revision and/or more in-depth study of the topic/grammar area. Most grammar structures and vocabulary items are of course encountered again and often reinforced in subsequent levels.

Accelerator	Progression	Development	Typical topics	Grammar
Stage 1 (continued next page)	Beginners	Step 1	Personal details, introductions Countries Professions & work places States of being Needs & wishes Food & drink, ingredients, ordering Expressing preferences	Definite & indefinite articles Possessives & demonstratives Subject pronouns, reflexive pronouns Interrogatives Come?
