# Career Options

Approximately 50% go on to careers other than teaching:

- Youth work
  - Education welfare work
  - Careers education
  - University education
  - Educational psychology
  - Further study/research; and
  - all those other careers normally open to Durham graduates – e.g. financial services, public relations, advertising, human resources, law, etc.
- 
- Durham University is ranked 6th in the UK in The Times and Sunday Times Good University Guide 2022. Durham University has also been named the top University for graduate prospects in the North East.

# More about the School of Education

- A leading research and teaching department: we regularly feature in the top five in national university league tables such as **5th in the Complete University Guide 2024.**
- High quality lecturers who regularly win teaching awards.

## In summary

- ‘Durham difference’
- Top education department
- Broad, inter-disciplinary vision of Education Studies with a variety of modules
- Very supportive department and staff
- Small numbers of students
- High completion rate
- High employment record
