

Design your own ritual coins!

In the exhibition there is a big, grey, broken pot, with a clay figurine of the Roman god Mercury. This pot was thrown into the River Tees with Mercury inside, but it also had two coins inside. Sadly, we don't know which two coins they were.

Can you design them for us? You can write a special word, or draw a picture of something that is special to you!

DID YOU KNOW...

Mercury is the Roman god of commerce, communication, and travellers. He also acts as the guide of souls to the underworld.
