

Science Activity: Let's Discuss!

Look at the images of some objects displayed in our exhibition. Can you have a discussion about these questions?

Can you identify the object from its image?
(Clue: you can find it in a purse)

What is the colour of this object as shown in its image?
(shiny or dull? opaque or transparent?)

Based on your observation of its colour, what material do you think is this object made from?
(stone? wood? plastic? metal?)

What tools can be used to cut this object as shown in the image?
(sword? axe? saw?)
