

POWER AND PROTEST

When people protest they come together to show that they feel strongly about something, that they either like or dislike something. This can make you feel powerful in your likes, dislikes, beliefs and ideas.

ACTIVITY

1. Choose an artwork by one of the following artist that you find interesting. Suggested artists: Cornelia Parker, Hew Locke, Judy Chicago or Imar Quershi. Ask your self *what do you think the artist was protesting about?*

2. Write, in the space below, some descriptive words that come to mind when you look at the art work.

3. Compare your words with a friend. Did you come up with the same words?
